

## The Hanging Man (XII)

- Card looks bad but closer inspection shows he could easily release himself if so desired; his position appears to be by choice or simple lack of action.
- There may be an opportunity to look at things from a different perspective, which could bring a solution through better understanding.
- Can indicate delayed gratification or self-sacrifice (not in the literal sense).
- Sometimes we need to let go of something in the short term in order to gain something more beneficial in the long term.
