

## **Your Entire Future Rests In Your Hands! Are You Ready to Make a Choice?**

Dear Charlotte,

In life, there are certain moments when you are presented with a significant choice. For many people, their choices are simple - like paper or plastic bags at the grocery store. For others though, these choices can be exceedingly complex - even a matter of life or death.

**Life is all a matter of choices! It's time you prepare yourself to make the biggest decisions of your life...**

In your recent Tarot card reading, you drew the Strength card. This is a card representing a fateful choice - and I think in the very near future you will have a [very important decision to make](#).

The choices that you make have the power to change your entire life. I know this may seem daunting, and maybe difficult to comprehend at this point, but make no mistake, a decision is coming - and it is approaching quickly. When the time arrives, it will be completely unavoidable.

But Charlotte, I don't want you to feel frightened. **Never think that you are alone with this monumental decision. Don't worry - help is here for you!**

An unwise decision may lead you to heartbreak or despair - and it will not be obvious until much later.

**If you are not prepared in time - and in the right frame of mind - this crucial moment may pass, and you will find yourself going down a path you may forever regret. I don't want this to happen to you!**

You will need more information to make the right choice for you - and you will need it soon!

**Avoid regret! Don't leave this to fate! Knowledge is the key.**

The card that you drew, the Strength card, is a clear sign that you need additional information before making any decisions. As in every important decision, having incomplete knowledge can be disastrous. It's crucial you make the right choices, especially regarding **MONEY** and **LOVE**...

**What is this crucial choice you will have to make? Please, Charlotte, read on...**

There is just one thing troubling me - this reading did not specify the exact nature of the choice you will have to make. It's unclear if it's a matter of **LOVE, MONEY** or **FAMILY RELATIONS**. Nor does it give me the specific options you will be presented with.

To get these answers, we will need further examination. Right now, without contact with you, I can only make an educated guess. If you ask me, it might have to do with something coming **back** into your life - perhaps a **lost love** or a **financial windfall**...With a card like the Strength card, love and money are definitely part of the picture - I'm just not sure how much.
