

Tea Leaf Fortune Cards Spread

Rachel Mann

Revised June 12, 2017

This spread is based on the tea leaf reading method described in the book, *Tea-Cup Reading and Fortune-Telling by Tea Leaves by A Highland Seer*, which combines probability with timing. Symbols closer to the cup handle represent things more likely to occur, and symbols at the rim show something coming soon, with the sides and bottom showing later occurrences.

```

      12b
11c      13a
  4f  5d
10c  1e      6a
  3f  2d
  9c      7a
      8b
```

Lay cards out in number order:

1 is the bottom of the cup.

2 to 5 are the sides.

6 to 13 are the rim.

6 is the handle position (for a right-handed person).

Read in letter order:

a (6, 7, 13). Will happen soon

b (8, 12). Might happen soon

c (9, 10, 11). Won't happen soon

d (2, 5). Will happen later

e (1). Might happen later

f (3, 4). Won't happen later
